

The early stages of the works are progressing on site at Highgate Synagogue

The purpose of this newsletter is to keep the local residents and wider community informed regarding the extension and refurbishment of 57 North Road, Highgate, London N6 4BJ (Highgate Synagogue).

United Synagogue have instructed ourselves Montway Ltd to act as the Principal Contractor to manage the redevelopment of the existing Highgate Synagogue to make more flexible and sustainable spaces for worship, education and community use and redevelopment of the adjacent Rabbis cottage.

We realise that these works may cause temporary inconveniences to those living nearby, however we intend to minimise this disruption by taking all necessary precautions to protect neighbouring properties as well as the local community.

Haringey, as with all of central London, has been impacted by very strong economic growth which is reflected in the numerous new construction projects throughout the local area. As a result both Montway Ltd and Haringey Council are keen to ensure a close relationship with all residents to assist in resolving any problems and minimise any inconvenience that may result from the Highgate Synagogue project.

Site Progress:

- Site set up now complete
- Existing building has been demolished apart from the cottage façade which is being retained
- Bricks and roof tiles from the existing building have been salvaged for re-use on the new buildings

Programmed Works for December:

- Piling rig to be delivered and reinforced concrete piled foundations to be completed to basement and internal and external walls.
- Underground drainage works to commence.
- Groundwork's to commence consisting of reinforced concrete ground beams.

We appreciate your patience and understanding in this matter, and will do our utmost to reduce our impact on the community.
